**Reveal Math Integrated (2020)**
Published by: McGraw-Hill Education
Grades: HS

The principles of *Reveal Math* are derived from the latest research on how students learn best—through productive struggle, rich tasks, and mathematical discourse. *Reveal Math* empowers educators to uncover the mathematician in each high school student through powerful explorations, purposeful technology, and timely and insightful differentiation opportunities. The unique approach of *Reveal Math* ensures students don't just meet the standards required by the Integrated Pathway, they master them and are prepared for advanced mathematics courses.
